Terrible Tudors Year 6 Summer 1

What impact did King Henry VIII have in today's society?

Why did King Henry VIII want reformation?

This half term, we are continuing to learn about the Monarchy in the Tudor period to inspire us to create our own piece of Horrible Histories media informing other children in the school about the Tudors.

As scientists, we will begin our learning on variation, evolution and inheritance. We will investigate how living things have changed over time and what information that gives scientists about the Earth millions of years ago.

As historians, we will investigate what life was like in Tudor times including focusing on the monarchy and the impact reformation had throughout the Tudor period.

As artists, we will be continuing to study William Morris. Using his style, we will plan, create and evaluate a piece of our own tapestry using different types of stitches we have learnt in primary school.

Trips and Visits

We will be visiting Hampton Court Palace as part of our Tudor topic. We have received funding for this to allow all children to be able to explore Henry VIII's palace.

Vocabulary... ask me what these words mean...

Monarchy, reformation, adaption, variation, characteristics

Hook

Horrible histories videos and film.

Outcome

A Tudor comic strip depicting the Tudor reformation.

Stand Alone Subjects

In PE, we will learn to...

Confidently take part in athletics and work on technique in different athletic areas.

Learn the rules and strategies involved with playing volleyball.

In Personal Development, we will learn that...

We can all be our best. We will be exploring realistic aspirations for our lives as well as how to look after ourselves.

In RE, we will think about...

Different ceremonies that we come across in our lives including how death ceremonies are important in many religions but are carried out in different ways.

In music, we will learn about...

How to sing effectively a range of atmospheric songs ready for our end of Year 6 school production!
