8th September 2025

Dear Parent/Carers,

Year 3 Trip to Chichester Harbour Education Centre

As part of our Science Topic, we would love to give the children the opportunity to have an exciting day out at Chichester Harbour Education Centre on Wednesday 17th September 2025.

This is a curriculum visit which will support the children in their learning about living things and habitats.

The children will leave Barncroft Primary by coach at 9:30am and will return by 2:45pm. They are required to wear their school uniform along with comfortable walking shoes, and must also bring a named coat or raincoat. Additionally, children should bring a pair of wellington boots (as long as possible) to change into, as the paths may be muddy and we will be engaging in activities in the stream.

A packed lunch will be required for this trip (which should also include a drink). If you would like the school kitchen to provide a packed lunch for your child, please book this via your child's SchoolGrid account. Please can we also ask that your child has a backpack for the trip so they are able to carry their packed lunch around the centre with them.

There will be no cost for this trip, as the transport and workshop costs have been generously funded by Chichester Harbour. Please give permission by registering your child for the Trip through their Arbor account, by Friday 12th September 2025.

We will be using the permissions for photos and medical information that has been provided on your child's Arbor account. Please ensure your child's Arbor account is always up to date.

Kind Regards

Mrs Mengham and Mr Pitt
Year 3 Teachers
