Best of Britain Year 3 Autumn 2

Can you locate the counties and cities of the UK?

Can you describe the physical features of different areas of the UK and compare them?

This half term we are being City Planners.

We will be studying the cities of the UK and learning what is needed in a city.

As Scientists we will be exploring rocks. We will be indentifying and grouping them based on their different properties.

As Artists we will be exploring the work of Georgia O'Keeffe. We will look at painting pictures and exploring different brush strokes and pressure to create images.

As Geographers we will be learning about different geographical regions within the UK and becoming familiar with the difference between cities, counties, countries and continents.

As Musicians we will learning to play an instrument and listening to music from each of the different periods in history.

Trips and Visits

Butser Ancient Farm Trip

Aspen - 21st November

Rowan - 27th November

Vocabulary... ask me what these words mean...

County, country, continent, landscape, capital city

Hook

All aboard the virtual coach to take a tour of the UK.

Outcome

Persuade tourists to visit our local area through images, and persuasive language.

Stand Alone Subjects

In PE, we will be learning

How to play handball.

In Personal Development we will learn to...

understand our brains a little further.

What controls our emotions and our behaviour?

My Happy Minds - Module 2

In RE we will think about...

the concept of symbols by describing the value of the Hannukah lights to Jews. Describe how the concept of symbols can be applied to our own lives.

In Computing we will learn about...

how to create stop-motion animations using computer media.

In D&T we will learn about...

applying the principles of nutrition and healthy eating to the design and making of sausage rolls.
