## WW2 Year 6 Autumn 2

What was life like for a child in Hampshire in WWII?

Why does my shadow change length?

This half term we are learning to be a historian. We will find out about what life was like in Leigh Park during WW2 and understand how historians use different sources and resources to find out about the past.

As Scientists we will on light and learning more about how light travels. We will link this to our topic and see how this was used within the war.

As Artists we will look at the work of Henry Moore and create our own sculptures inspired by WW2.

As Geographers we will use our fieldwork skills to learn more about why the war was a world war and how our local area was impacted by the war.

### Trips and Visits

We will be having a WWII evacuation day in school where the children will experience evacuation and take part in a range of WWII activities.

We also have our residential / activity week this half term!

### Vocabulary... ask me what these words mean...

Allies, Axis, propaganda, evaluate, evacuee, urban, rural, reflective, source

#### Hook

Studying the artefacts in our WW2 history box as a historian. What do they tell us?

#### Outcome

Create an art gallery inspired by WW2 complete with explanations of our pieces and why we have chosen to create them as we have.

### Stand Alone Subjects

#### In PE, we will learn that...

Handball is a type of invasion game and how we can apply our skills to this and what is meant by 'Rhythmic' Gymnastics.

#### In Personal Development we will...

... learn how to celebrate ourselves and others as well as learn more about how to build a strong community around us.

#### In RE we will think about...

...how things can be interpreted in different ways and that how religions interpret things is important to their belief system.

#### In Computing we will learn about...

Creating media and 3D modelling.

#### In Music we will...

....be working with Hampshire Music Service this half term.
