16th October 2025

Dear Parent/Carer,

Y5 trip to Winchester Science Museum

As part of our Destination - Space topic, we are excited to offer the children a wonderful opportunity to enjoy a day out at the Winchester Science Museum.

This visit is an integral part of the curriculum and will enhance the children's understanding of Space and the solar system.

Date	Class
Monday 17 th November 2025	Sycamore
Tuesday 18 th November 2025	Birch

Children will leave Barncroft Primary via school minibus at 9.30 am and will return by 2.30 pm.

Children are required to wear their school uniform and appropriate walking shoes. It is essential that shoes are securely fastened to comply with Health and Safety regulations. Please ensure your child is dressed appropriately and has either a named coat or raincoat, as the trip will proceed regardless of weather conditions.

Children must bring a healthy packed lunch and a water bottle. If your child prefers a lunch prepared by the school kitchen, please place an order through SchoolGrid. Additionally, please ensure your child brings a backpack for the trip to carry their packed lunch while exploring the museum.

The total cost of the trip is £8.50, which covers £2.50 for the school minibus and £6.00 for entrance and workshops. The workshops will include the following:

- A workshop on how light travels
- Numerous interactive exhibits and features
- A session in the Planetarium featuring stargazing and learning about the Solar System

We will utilise the permissions for photos and medical information that you have provided in your child's Arbor account. Please ensure that your child's Arbor account is kept up to date.

We kindly request that you use your Arbor account to give consent and make a payment of £8.50 for your child to take part in this exciting trip by Friday, 7th November.

Kind Regards

Miss Voisey & Miss Lucas
