What Did the Romans Do For us? Year 3 Spring 2

Can you locate different European countries using an atlas and maps?

How are Italy and England the same and different?

Which country would you rather live in and why?

This half term we are learning how to be a **Geographer**. We will learn how to read maps and atlases and discover the important role they play.

As **Geographers** we will learn how to use maps and atlases to locate different European countries. We will then focus on Italy and compare similarities and differences between Italy and England.

As **Design Technicians** we will learn how to use different types of stitches to join materials and will create a bag which we can use on a trip next half term.

As **Scientists** we will be learning about light. We will be looking at light sources, shadows and transparent, translucent and opaque objects.

As **Historians** we will learn about Boudica and her army. We will look at the important role she played.

Trips and Visits

Fishbourne Roman Palace - Roman - Monday, 2nd March

Aspen - Wednesday, 4th March

'Into Film' cinema trip - Port Solent - Wednesday, 18th March

Vocabulary... ask me what these words mean...

population, Europe, human features, physical features, similarity, difference

Hook
