Egyptian adventure Year 4 Spring 2

What was the most significant achievement from the Ancient Egyptians?

What was daily life like at different levels in Egyptian society?

This half term we are learning how to be an Egyptologist. We will discover what their job involves and how their work helps them to understand the way the physical world works.

As Scientists we will be learning all about electrical circuits and how they work. Looking into conductors an insulator and their role in a circuit.

In DT (design and technology) we will be making bread. This bread will be based on the same recipes the ancient Egyptians followed.

Trips and Visits

Portals to the Past - Egypt workshop

Vocabulary... ask me what these words mean...

History - ancient, artefact, source
