

24TH APRIL 2026

The Weekly Buzz

This week our Year R children had a wonderful time on their trip to Staunton Farm, enjoying plenty of hands-on learning and meeting the animals. Meanwhile, Year 5 threw themselves into their Maya workshop, exploring ancient culture, history and traditions through engaging activities. It's been a brilliant week of learning across the school.

Summer Fayre

Do you own a business, or know someone who does, who might be willing to support our FOB Summer Fayre? We're looking for prize donations to help make the event a great success. If you can help, please get in touch via the FOB email address -

fob@barncroftprimary.hants.sch.uk

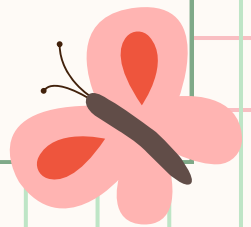

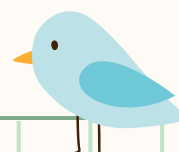

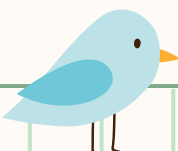

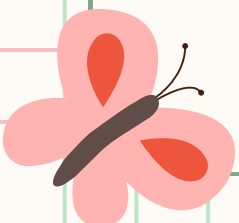

Free Breakfast Club starting in September 2026

A reminder for all Year R to Year 5 parents: please make sure you have either given consent or declined consent for the Free Breakfast Club starting in September 2026. Your response will help us plan staffing and provision for the Autumn club.

Thank you to everyone who has already completed this.

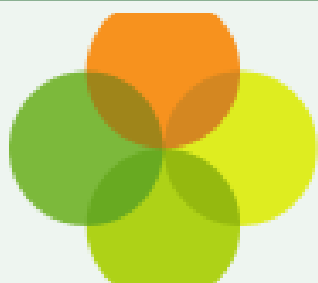

A gentle reminder: please send children in with their water bottles each day so they can stay hydrated. It's also really helpful if all uniform is labelled, as this makes it much easier for us to return any lost items. We appreciate your help.

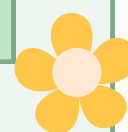

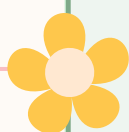

Now that the sun has finally made an appearance, please make sure your child has a sun hat and sun cream in school. This helps us keep everyone safe and comfortable during outdoor learning and play.

Arbor

Did you know you can update your child's medical information, dietary needs and contact details directly through the Arbor app? Keeping this information up to date helps us support your child quickly and safely during the school day. You can find these options under Profile once you log in.

Also one handy feature in Arbor is the Calendar section, which shows upcoming events, trips and important dates for your child. It's a great way to stay ahead of what's happening in school.

Upcoming Events
