8th June 2026

Dear Parent/Carers,

As part of our Geography curriculum, we are excited to offer the children a wonderful opportunity to enjoy a morning at Broadmarsh.

This educational visit will enhance the children's understanding of Rivers and Coasts. They will look at these structures to assess their impact and consider how they will affect the surrounding area in the future.

Hazel Class - Monday 6th July 2026

Willow Class - Tuesday 7th July 2026

The children will leave Barncroft Primary by minibus at 9:15am and will return by 12:30pm for lunch at school.

Children are required to wear their school uniform and appropriate walking shoes. Please ensure your child is dressed appropriately and has either a named raincoat or sunhat along with sun cream, as the trip will proceed regardless of the weather conditions. Additionally, please make sure your child brings a water bottle to school for the trip.

The total cost for the trip is £2.50, which will cover the use of the school minibus. Kindly use **Arbor** to register your child for the trip and to make the payment **by Monday, 29th June 2026**.

We will utilise the permissions for photographs and medical information that are available on your child's Arbor account. Please ensure that your child's Arbor account is kept current.

Kind Regards
The Year 4 Team
